The best time to visit the Amalfi Coast is May through September. Keep in mind the Belmond Hotel Caruso is closed November through March. During summer months, there are many festivals, events and concerts.

The easiest way to reach the Amalfi Coast is via Naples. You can fly into Naples International Airport (NAP) or arrive by train into Napoli Centrale. From either, you can take a bus, the ferry or a private car hire into the Amalfi Coast. The latter is the most direct and quickest. The Belmond Hotel Caruso does provide a car service. Keep in mind that it is a 1-2 hour drive from Naples to Ravello.
