High quality all-inclusive, includes most activities,
includes one spa treatment per day per person,
pristine beach, top notch staff, nightly entertainment,
recently renovated, family owned and run for 30
years

Late spring and early summer months offer the best
weather. Late fall is hurricane and rainy season. We
were there during a "rainy" month and didn't see a
drop. Check the resort's website for their famous
"theme Months".

By Air: St. Lucia has two airports: the
international airport- Hewanorra International
Airport (UVF) and the smaller airport- The
George Charles Airport (SLU). UVF handles all
international flights and is approximately a 90
minute drive from BodyHoliday
